ABOUT US

Iceland Geyser Limited is a proudly Kenyan manufacturing company dedicated to producing premium-quality cleaning and hygiene products.

We specialize in liquid soaps, dishwashing liquids, disinfectants, bleach, toilet cleaners and all types of cleaning agents designed for both domestic and industrial use.

OUR GOAL

To make hygiene affordable, accessible and to be environmentally responsible. Commitment to quality, consistency and care. Iceland Geyser is redefining cleanliness in homes, schools, hospitals and businesses across Kenya.

OUR VISION

To become the leading and most trusted manufacturer of eco-friendly cleaning solutions in Africa, promoting hygiene, sustainability and empowerment through innovation and integrity.

OUR MISSION

To manufacture and distribute safe, affordable and high-quality cleaning products that protect health, preserve the environment and empower communities through job creation, training and fair opportunities.

OUR VALUES

1. **Integrity** – We uphold honesty, transparency, and accountability in all we do
2. **Quality** – Every product reflects our commitment to excellence and safety
3. **Innovation** – We continuously improve our formulations and processes to meet our customers' modern needs
4. **Sustainability** – We ensure that our production operations are friendly to the environment
5. **Customer Focus** – We listen, serve and adapt to meet customer expectations
6. **Teamwork** – We believe in unity, respect and collaboration for shared success
7. **Community Empowerment** – We create jobs, offer training and support local communities

Guided by Our Values

At Iceland Geyser, every decision is guided by our values. We believe that true cleanliness goes beyond surfaces — it's about living responsibly, treating people fairly and protecting our planet. Every bottle we produce carries our promise of purity, care and integrity by ensuring each product is carefully formulated under strict quality control for effectiveness, safety and consistency.

QUALITY ASSURANCE

We adhere to high manufacturing standards, ensuring that each product undergoes proper testing for key parameters before being released to the market. Our commitment to excellence guarantees satisfaction, safety and trust in every use.

SOCIAL IMPACT

Iceland Geyser is more than a business – it is a vision of empowerment.

We train and employ young men and women, offering practical skills in production, packaging and quality control. Every purchase from **Iceland Geyser Ltd** supports families, promotes education and enhances community development.

FOUNDER'S MESSAGE

From The Founder & Director

“When we founded **Iceland Geyser Limited**, we wanted more than just a cleaning brand – we wanted to create hope, dignity and opportunity through work. Every drop we produce carries a story of care, teamwork and prayer. Our mission is to keep families healthy, homes fresh and our environment safe – one bottle at a time. Together with our incredible team, I believe we can make Iceland Geyser a household name that stands for quality, honesty and compassion.”
